

Workshops of Culture in Lublin

- ▶ Workshops of Culture work and collaborate with various institutions and artists to create culture that is engaging to local communities and is open and accessible to all.

We also organise the four largest festivals in Lublin: Night of Culture, East of Culture - Different Sounds, Carnaval Sztukmistrzów and Re:tradition – The Jagiellonian Fair.

/ PRE-VISIT GUIDE /

GRODZKA 7

Workshops of Culture are located in the Old Town and housed in historical buildings at Grodzka 7, Grodzka 5, and Kowalska 3.

Once you pass a couple of steps outside, enter through the massive, heavy door into a corridor illuminated with a bright, cool blue neon. Then go through the inner glass doors and along the corridor to find the inner courtyard (patio).

► OPENING HOURS

Monday-Friday 9.00-17.00
and during events

WORKSHOP ROOM

The workshop room on the ground floor is where we hold most DIY and art workshops. To get there, go into the patio and use the stairs to the right to go up a level.

MAIN OFFICE

The main office is located on the first floor in room 105. Go towards the patio door, use the stairs to the left to climb to the first floor, and then look for room 105.

EXHIBITION ROOM

The exhibition room is located on the second floor. Climb up the stairs, and turn right. The room number is 204, and it will be on your left.

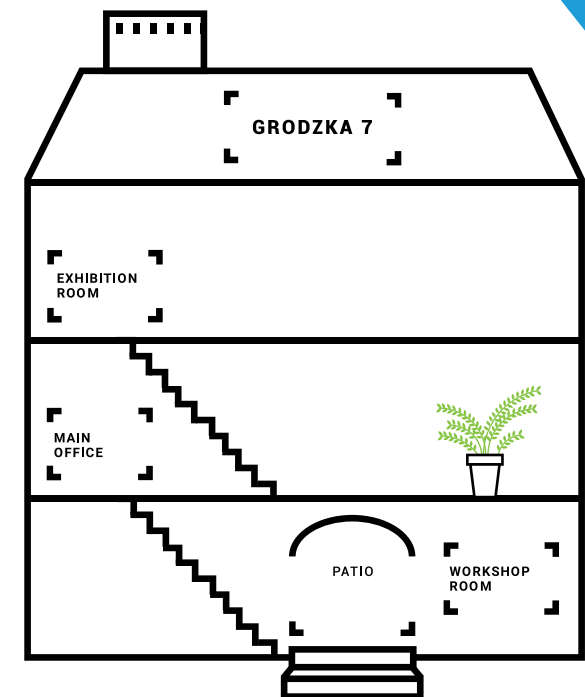

This is where we hold most workshops for children and feature exhibitions.

► Grodzka 7

This illustration will help you orient yourself where a given room is.

GRODZKA 5A

This is our second building. Events are also held here.

A set of steps leads up to the entrance. The cool, shadowy corridor can fit a wheelchair but it has a tiled floor. Pictures and posters are lined up on one of its walls. It can get windy or damp because a part of the corridor is unroofed.

► OPENING HOURS

during events

MEDIALAB

The medialab room is located on the first floor. When you climb up the stairs, you will see it directly to your left.

The space is dedicated for workshops with computers, cameras and even 3d printers.

AUDITORIUM

The auditorium is on the second floor. When you climb to the second floor, you need to turn right and enter through the glass door.

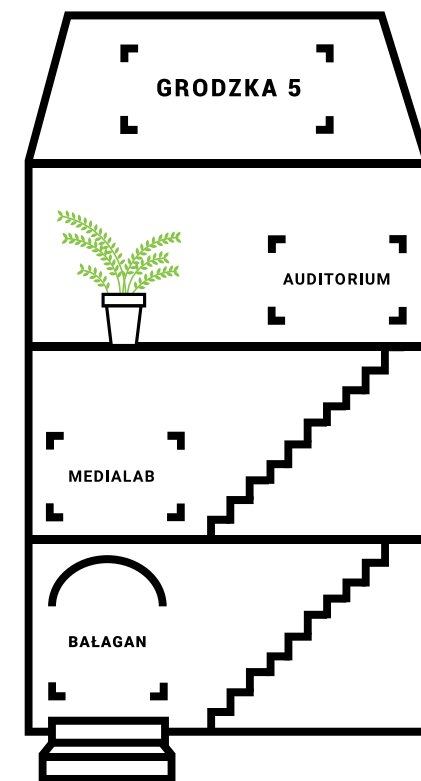

This room is where we hold concerts, film screenings, and sometimes other events.

PHOTOGRAPHY STUDIO / KOWALSKA 3 - THE HARTWIG ALLEY

The photography studio is equipped with its very own darkroom where photos are developed using a range of chemicals.

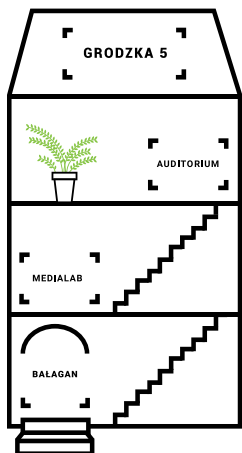

It's a very cosy space, filled with ancient cameras and black and white photos.

SUPPORT

- Unfortunately, due to the age of the building, disability access can be limited. Workshops of Culture are happy to support anyone who decides to visit despite their barriers.

Our team members have been trained in basic support skills to assist people with disabilities. Please contact a member of staff for assistance.

Assistance dogs are welcome in the building.

Assistance for the visually impaired is available.

The premises are not furnished with navigation systems in braille nor high contrast signs, or enlarged print boards for the visually impaired.

The premises are not equipped with induction loops. Polish Sign Language service is available upon request.

Please submit the request for assistance and Polish Sign Language service five working days before your visit. You can do so by e-mail, fax, or phone. English language service is available on site. If you require assistance in English, please notify us a day before your visit.

A wheelchair ramp to enter the Grodzka 7 building is available on request. Please call two hours before your visit to arrange it. There is no lift available in the building and access to the first and second floors are by stairs only.

- The toilets are situated on the first and second floors of the Grodzka 7 building and there is an ambulant toilet on the second floor of the Grodzka 5a building. There are no wheelchair-accessible toilets available.
